WHOLE NO. 174

A TEXAS TRAGEDY An Insane Man Murders His Father His Child and a Cler gyman

The Waco Texas Register relate he following sad tragedy: On last Tuesday night - week James McCarty, jun., in a lit of insanity, inurdered his own tatter his own little son, e'z or seven yea of age, and a neighbor; the Rev Benry Hurley. All the parties are residents of Erath County.

The circumstances, as we gathe the horrid details, were these: For one months, at different times James McCurty has shown signs of of mental aherration. On the day revious to the dreadful occurre McCarty expressed the wish to his vife to be baptized right aw v b he Rev. Mr Hurley, He see left his home on Dullan Creek croceded up the creek several mil where his father James McCarts sen., lived. He told his lather hi atentions of being haptised by M Harley but his father persuate tim to remain where he was, and h would go after Mr. Hurley, who ed several miles off. The ser gread to this, but when in the eve ing the father returned with Mr lurley, it was found that the sen and gone back home.

The father and Mr. Hurley lollowd to the residence of the insame iron Bed-time came and all retired for he night, Mr. McCasts, sen, and Mr. Hurley occupying the same bed in a seperate the the wile of McCarty, jun., was roused by her husband, who de ded a light and was looking for ab ut a w a lerful panet, hanging ix-shooter. Mrs. McC rty in a cage in the deer of a store on a aded a light and was looking for was alarmed, (scaped the house and camed, but too late. The insane d Mr. Hurley were sleeping, and not both in the head, as is suppo-d before they awoke. He then alled his little son and bade him sit down on the door-step and remain

uict until he returned. The father then went to the ercek | zen. little distance off, and got a rock. Returning with this he ordered the ipon a block, near which he was ton years. have kept in, hundreds of deserv Before the train came to a stop I ing men have been dismissed, and merely because they were obnoxiou to these very Senators and Repre lantern from the hands of one of the for their own purposes. This

The Way it is Done.

It is a terroble thing for a positi cian to lose his letters. A Collector Boswell who aspired to the Mayor ality of Washington City, went t Cape may during the summer, and wrote a letter to a friend at the Cap ital, arranging for a demonstratio on his return home. Many politi cians have done likewise, and al went as merry as a marriage bell. and the world was none the wiser. But Mr Boswell's letter was misdinow found its way into the papers, to his complete discontiture flere add insult to injury by sadling neis a portion of it:

will wish to see me on my return laws under foot has done much to home you will take the proper steps prevent it. The tendency of radito make an arrangement to meet me calism is towards a despotism. A on my return at the depot, and change of rulers is what is needed ber pinned across the track, and the can privately get a band, for which ment in the co decion of the coun-I will pay next day. Make that try until the taseals who rule it arrangement. You may have a turned out of elliec. transparancy, painted welcome home upon it. If you want oil or torches, go to Mr. Frank Kelly, at Thursday alternoon I took a hand doubt that Prince Carleton was the my office, and tell him to give you He confessed it when we had him H. Brown Charles Peters, and oth-And SUIT GOODS Bridge. I do not mind confessing that I went on purpose to get a sug and safe, and said that because that I went on purpose to get a like wanted Earl Rogers out of the glimpse of her home—perhaps of herself. I stood at one end of the bridge—looking—looki bridge—looking across at the house concern, he had formed this plan of home on or about September first,

A. M. ROSS.

CHINA

Rev. Juo. L. Stuart, Formerly of to THE two sisters matrix of tids place, now a Missionary in China writes an interesting lefter to tibe Christian Observer from which we make the following extract

and hevilence of the ravages of the late ivil war, yet the landscape all the way was picturesque - often beautiful and grand. The prevail alt is say blevel in juide ing feature of the country is mountipe to the will be tainous, and sometimes the river is forced into a narrow channel, by high mountains rising abruptly on either sale Sometimes they seem to withdraw to a distance, on one or | both si'es, leaving the intermediate ry it is the live the Executive space a fertile plain-producing rice, wheat, corn, sagar cane, lobac co hemp, cotton, vegetables, &r.

The lower hills are generally covered with tea plant, while the higher, often reaching a height of two thousand feet, are covered with bambon, pines, and grass, all of which are cut and used for lumber or fuel, after they have attained the growth of culv a few years. Large tices are very rare, though

the houses and villages are generally supplied with large camphor rees whose thick dark foliage for ash s an excellent shade. There re many groves, -some of bamboo age of pans, fruit trees, and can To trees, whose fruit furnishes the all and which they make candles We were seldone out at sight of the al stations of man, sometimes a sin le louise often a "family village there one family had lived for gen rations. We passed many large ovns and two valled caries in a fev on Bitles and tracts, and were

taking a rapid return voyage. Every city and large town is profed with one or more pagodas These are towers generally about a bundred feet high, with seven stories, and lunit of brick many of them have been standing for ages. Formerly a balcony of wood surounded every story, but these have dl crumbled away. They are built on promunent points, and are supposed to protect the city from dragus and evil spirits who, seeing them at a distance change their

THE CITY OF CHU-TSEC.

When we arrived at our destinao we found the city situated on a high bank of the river, in a broad fertile plain, and about three miles listant from the nearest mountains. It is inclosed by a wall and has six cates with a population of probably NEW ADVERTISEMENTS we hundred thousand. The street are well paved with boulders and generally clean. The people offerd no opposition as we walked freely up and down their streets. They reard that a medicine man was among us and during Friday, Satrereive medicine from Mr. Inslee. Inside and I visited every city gate in I several temples where the doctrine of salvation was preached to hojdn by a short residence with them to convince them we will do no harm. It is always difficult to get the first fiest-hold in a city, but ε to r pan their prejudice gradually wears iwiy when they see we have no avir-trus on them
